Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: Site Location Plan, EGA001C, PGA001C, Design and Access Statement.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 Notwithstanding the roof plan hereby approved, a green roof shall be installed to the outbuilding, full details of which shall be submitted to and approved by the local planning authority prior to commencement. The details shall include-

- i. a detailed scheme of maintenance;
- ii. roof plan at a scale 1:50
- iii. sections at a scale of 1:20 with manufacturers details demonstrating the construction and materials used;
- iv. full details of planting species and density.

The living roof shall be fully provided in accordance with the approved details prior to first occupation and thereafter retained and maintained in accordance with the approved scheme in perpetuity.

Reason: In order to ensure the development undertakes reasonable measures to take account of biodiversity and the water environment in accordance with policies CC1, CC2, CC3, D1, D2 and A3 of the London Borough of Camden Local Plan 2017.

- 5 The outbuilding hereby approved shall remain incidental to the use of the main property (Ground Floor Flat, 13 Aberdare Gardens NW6 3AJ), and shall not be used as separate self contained residential accommodation or business premises.

Reason: In order to protect the residential amenities of neighbouring occupiers in accordance with policy A1 of the London Borough of Camden Local Plan 2017.

- 6 Prior to the commencement of any works on site, details demonstrating how trees to be retained shall be protected during construction work shall be submitted to and approved by the local planning authority in writing. Such details shall follow guidelines and standards set out in BS5837:2012 "Trees in Relation to Construction". All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage in accordance with the approved protection details.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenity of the area in accordance with the requirements of policies A2 and A3 of the London Borough of Camden Local Plan 2017.
