Planning Application 2021/2954/P

This application has recently come to my attention. I know the area quite well having worked locally for several years, and I visit regularly (lockdowns permitting). I have looked at the drawings and am shocked! Out of character and out of scale, especially the 21 storey building, which will completely ruin the skyline. This is a greedy try-on and must be stopped.

Regards,
Graham Picking
