Hi Nora,

Sure! Is the attached suitable? It's a photo the installer sent us to illustrate the intended construction.

Thanks!

Dear Philip,
Hope you are well.
I have just reviewed the information submitted to discharge condition 4 of listed building consent application. Really sorry for this delay in getting back to you.
The condition requires:
Before the relevant part of the work is begun, **a photograph of a sample and product specifications for Welsh natural slate** shall be submitted to and approved in writing by the local planning authority.
Your submission does not include a photograph.
Can you please send this to me?
Best Regards,
