Dear Planners and Tree officers,

List 642.5

2021/3352/T. 42 Chetwynd Road

I consider that this large palm tree is an unsuitable planting for such a small garden, closely surrounded by five others. If you decide to fell it, then I suggest replacing it with a shrub or a slow growing native tree.

List 643

2021/3543/T 38 St Alban's Road

This application refers to a young, small Ash tree in a garden which is mainly laid to concrete slabs. There is no reason given for its felling. The agents are the Hampstead Gordon Curtis Architects.

There appears to be a shed already in the garden. I feel unable to comment further.

Thank you,

Eileen Willmott
