2021/2616/A	Christiane Ten-Hoopen	31/07/2021 12:15:23	OBJ	<p>Dear Mr Campbell,</p> <p>This is a very fine detailed stone facade and is characteristic of civic architecture of the period. It was formerly a library and a town hall.</p> <p>On behalf of the BCAAC I would like to object to the above application as follows:</p> <ol style="list-style-type: none">1. We object to the canopies which would crowd the balcony above and obscure the fine detailed stone work.2. The lit restaurant branding signs in the blind niches detract from these essential architectural elements of the facade which should remain empty as intended by the original architect.3. We have no objection to the planters.
