Hi there,

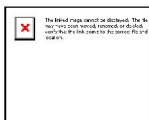

I live in the ground flat at 114 Mansfield Road, which backs onto 2 Rona Road.

Having looked at the proposed plans for 2 Rona Road I would like to comment and share my concerns with the current proposal which we feel would inhibit natural light and sun whilst decreasing privacy of our garden and living space. Visually, the new plans, will be out of keeping with the architecture of the street. I am unfamiliar with what the next steps are but I wanted to share my concerns as I feel if the plans were to go ahead they would profoundly affect us. Please do let me know what other information you may need.

Kind regards
