Dear Sir,

As the owner of the top floor flat in [REDACTED] I object to the proposed development at 2 Rona Road, NW3 on the following grounds:

The loss of light and privacy.

The architecture is out of character with the other buildings.

Loss of an existing tree.

I also ask that you consider the collective impact of all the objections, rather than the impact of each objection individually. I know of other planning applications that were rejected on this basis.

Yours sincerely,
Howard Simler
