

PUBLIC NUISANCE PRECAUTIONS, DISPERSAL POLICY, WASTE & DELIVERY MANAGEMENT  
for JAMBOREE VENUE, 6 St Chads Place, London, WC1X 9HH

-

GENERAL PRECAUTIONS FOR SOUND, CROWD MANAGEMENT & DISPERSAL POLICY

- No music to be played outside
- There will be a double door system to manage sound - acoustic lobby entrance. This will be used on nights where amplified music is played.
- SIA approved security will be present on all nights where live entertainment is played. The Security will manage people outside, queuing system as well as any safety risks to our audience. A logbook is kept at the venue to record any incidents that may occur at the venue.
- Closed windows & doors whenever amplified music is played.
- A ventilation system will be in place.
- As agreed as part of our licence we will be removing the tables outside weekdays at 23.00 (Sundays 22.30) and weekends 23.30.
- No drinks outside after 22.00 policy.
- No more than 18 people at a time to be smoking or standing outside the venue after 22.00.
- We run a strictly no drugs policy within our venue and our security and staff is trained to deal with any occurrences accordingly. We keep a logbook with any incidences occurring.
- Soft Dispersal policy: Allocation of staff in the last 30 minutes prior to closing to ensure that the collecting of glasses, stacking furniture away of vacated tables and the clearing of other waste is prioritised. This will provide a message to customers that the premise is in the process of closing and encourages them to finish their drinks and prepare for departure.
- As soon as the live music ends, 30 minutes before terminal hour, we gradually will be turning up the lighting, play slower music and reducing the volume and the security will ask the people to finish their drinks and quietly leave.
- A Door Supervisor will be positioned at the entrance/exit to remind people to leave quietly and to prevent customers from re-entering the premises.
- Once the premise has been fully vacated, the door supervisor and staff will be present outside the premises, to ensure a swift dispersal of customers to the main street towards Grays Inn road. This will be achieved by encouraging the use of Public transport, and encouraging customers to proceed to walk to their destination in a quiet and orderly manner.
- We will ensure that adequate signage is available at the exit asking customers to leave quietly and not to congregate outside or in the local area. Door supervisors will direct customer's attention to these signs as

they leave. Door supervisors will remove drinks and glass from customers as they leave to ensure no glass leave the premises.

- Our entry system is a one by one entry system, should we get overwhelmed by people arriving at the same time, we will have a one way queuing system along the pavement which will not spill onto the road and will be noise managed by members of security.
- The security and staff will be instructed to ask the smokers to keep noise levels down at all times.

## MANAGEMENT OF DELIVERY, WASTE COLLECTION & TAXIS

- Fully contained and lockable bins are kept away from public areas.
- Full and empty kegs are kept inside and exchanged at the day of delivery.
- Regular daytime waste collections will be arranged, to prevent any overspill from containers.
- We do not remove waste and bottles late at night and only empty glass containers between 07.00 and 20.00 and Sundays 10.00 to 20.00.
- We arrange for deliveries to be made between 07.00 and 20.00 and Sundays 10.00 to 20.00.
- Encourage customers to dispose of litter responsibly using posters on bins outside.
- We provide bins for cigarette stubs in smoking areas.
- The area around the premises will be cleared of litter and fouling on a regular basis, and always at the close of business.
- An awareness to keep handed out packaging to a minimum.
- Have a signage up at the approach of the premises, ensuring that taxi drivers do not use the vehicle horn to attract attention.
