The application to remove or vary the previously agreed 'obscure glazing specifications' at Novel House would have a direct /detrimental effect to Carnegie House and maybe an infringement of privacy.</p> <p>Furthermore the close proximity of these two buildings maybe create overlooking issues. Occupants of one maybe able to see directly into the counterpart property.</p> <p>Partially obscured glazing has already been successfully installed in certain flats in Novel house. This has prevented direct overlooking whilst allowing for some amenity for occupants of the new apartments. I would suggest this as a suitable compromise.</p>
