2021/3513/T	Louise Lewis	06/08/2021 18:24:29	COMMNT	<p>We regret the felling of any trees, though we can see that this specimen makes little contribution to the neighbourhood. However we would appreciate the planting of a replacement tree, particularly as several trees have been felled in the area recently.</p> <p>Highgate Neighbourhood Plan Policy OS2: Protection of Trees and Mature Vegetation</p> <p>II. Within the conservation areas or when protected by a TPO, if a mature tree is found to be diseased and requires works significantly reducing its ecological or amenity value, appropriate replacement planting will be sought as close to the original site of the tree as possible.</p> <p>Louise Lewis Highgate Neighbourhood Forum</p>

2021/3513/T	Jan Brooker	06/08/2021 11:22:26	COMMNT	<p>Comment on behalf of Highgate Conservation Area Advisory Committee</p> <p>There would be no objection to the felling of this Leyland cypress, as it is growing in the wrong position behind a shed and overshadowed by other trees. If there were space in another part of the garden, it would be good if a replacement tree could be planted.</p>
