**Planning Portal reference: PP – 10109056**

Dear Sirs,

Flat 4, 97 Greencroft Gardens, London.

This is a resubmission of the Approved Planning Permission with Ref. No. (2017/5469/P), that was approved on the 27<sup>th</sup> of November 2017. The description of the proposals remains the same as show on the Decision Notice (2017/5469/P):

*First floor rear extension to replace existing roof terrace; installation of external staircase to existing first floor roof terrace providing access to rear garden to first floor flat (class C3.)*

The scheme was not implemented, and there is no change in local circumstances with regard to the proposal.

On behalf of our Client the Estate Office, we write in support of the above planning application, which has been submitted via the planning portal.

We can confirm that the following supporting documents have been submitted via planning portal:

- Existing and Proposed Drawings
- Design and Access Statement
- Application Form
- CIL Form

We trust the submitted information is sufficient to validate our client's application and we look forward to a positive outcome. Should you have any questions please do not hesitate the undersigned.

Kind regards

**Krista Silina**
