**Subject:** Yew tree 6 Upper Park Road NW3 2UP

Dear Nick Bell,

I would very much like to reduce the Yew Tree in the front garden of the above address.

The tree is taking much light and has spread so that it is very close to my bay window balcony and is overhanging next door's garden.

I would like to remove 1metre from the top of the tree and reduce the lateral spread by 2feet.

I hope this will meet with your approval

Kind regards

Diana Bradford
