

Replace non-original, opaque over-panel with glazed, half-circular window to match traditional adjacent window of the front elevation. All framework to be hardwood and finished to match existing. All glazing to be high-performance double glazing.

New gate to vault made out of hard-wood.

Virtually frame-less fixed skylight, consisting of 3no high performance double glazed units (1no vertical and 2no horizontal with 1:80 fall). All angles and covers to be finished in RAL 9017.

Skylight to indicated areas.

New roof with skylight to indicated area. Roof to be finished in asphalt.

Existing outbuilding to be maintained with new large opening, built up as required, thermally upgraded from the inside and redecorated to match existing.

New door, high-performance triple glazing with RAL 9017 powder-coated aluminum frames by Alufold or similar approved.

New floor and terrace build-up to be finished in riven and tumbled sandstone cobbles similar to the existing in order to give the impression of a covered exterior space.

01 PROPOSED SECTION D-D 1:50 @ A3
