The Council has considered your application and decided to grant permission subject to the following condition(s):

Informative(s):

- 1 Reason for granting permission

Conditions 4(a) and (c) requires detailed drawings, or samples of all facing materials (to be submitted to the Local Planning Authority) and samples of those materials (to be provided on site). This is in order to safeguard the appearance of the premises and the character of the immediate area in accordance with Policy D1 and D2 of the Camden Local Plan 2017.

The following documents was submitted: Timber Sash Window Details; New Aluminium Windows; Rooflights; Material Specification - Front Elevation; Material Specification - Rear Elevation; Material Specification -Terrace; Chimney and Parapet Construction and Material Details; Sootwashed Brick; Roof Details.

The Council's Conservation Officer and Urban Design Officer raised no objection to the proposed material detailing and of external facing materials. Officers are satisfied that the detail submitted would be in accordance with Conditions 4 (a) and (c). As such would have an acceptable impact on the character and appearance of the host property and surrounding area.

No objections were received prior to making this decision. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed details are in general accordance with policy D1 and D2 of the Camden Local Plan 2017.

- 2 You are advised that all conditions relating to planning permission 2019/4362/P granted on 7/08/2020 which need details to be submitted, have been approved.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
