Thanks, Elaine.

That's helpful. We would have no other concerns.

Hi Janine,

Hope you are well.

Thanks for your comments on the above. Unfortunately internal facilities do not form part of the planning considerations of a planning application. I think this will be a Building Control matter. I have checked our computer database and there is no current building control application for these works but agents tend to submit this after they have secured their planning permission.

I hope that this helps.

Kind regards

Elaine

Dear Elaine,

I had a quick look at the plans. I don't know what the regulations are but can you have a shop without toilet facilities for the staff? Or is the staff of unit 6 and unit 5 supposed to share with unit 6A?

They appear to be rather unappealing work spaces as presented but perhaps I have missed something.

Thanks for clarifying.

Janine

Hi, Elaine.

Hope you are well.

Just wondering if these plans have been uploaded yet? I seem unable to locate.

Thanks for your help,
