2021/3092/P	Family at 56	15/08/2021 18:52:24	OBJ	<p>We are an owner of a house on Howitt Road and already have 8 neighbours across our 2 roads overlooking our garden.</p> <p>For such a large house, it seems strange why they need 2 floors of dormers, specially on the top floor. Its only purpose would be to infringe even more on our privacy in our garden.</p> <p>You will also note their size is prepostorous and no one else has ever been given permission for them before</p>
