2021/2777/P	JANE O'ROURKE	16/08/2021 12:05:24	OBJ	<p>The proposals will be negatively impactful on my home. I am objecting on the following grounds:</p> <ol style="list-style-type: none"> <li>1. Negative visual impact from proposed substantial balcony spanning almost entire width of building</li> <li>2. Substantial loss of sunlight from proposed balcony screen</li> <li>3. Noise pollution. It is proposed balcony would be built close to adjoining bedrooms</li> <li>4. Light pollution</li> <li>5. Impact of the extensive building works on our peaceful enjoyment</li> <li>6. This is a conservation area - proposed balcony will be very visible from the road</li> <li>7. Loss of privacy - it is proposed the balcony will be up against our boundary and directly overlooking our terrace and garden</li> <li>8. Overlooking from proposed garden building to our rear elevation and garden</li> <li>9. Extensive basement works will negatively affect our adjoining property foundations and party wall. There is considerable risk of flood as a tributary to the River Feet runs under 62/64 Parliament Hill and down Tanza road.</li> </ol>
2021/2777/P	Hannah Turin	16/08/2021 18:25:16	OBJ	<p>The proposals will be negatively impactful on the street and community. I am objecting on the following grounds:</p> <ol style="list-style-type: none"> <li>1. Negative visual impact from proposed substantial balcony spanning almost entire width of building</li> <li>2. Substantial loss of sunlight from proposed balcony screen impacting neighbours</li> <li>3. Noise pollution. It is proposed balcony would be built close to adjoining bedrooms</li> <li>4. Light pollution</li> <li>5. Impact of the extensive building works on our peaceful enjoyment</li> <li>6. This is a conservation area - proposed balcony will be very visible from the road</li> </ol>
