Planning Application Ref. 2021/2008/P.  
24 Quickswood N W 3 3RS,

13 August 2021

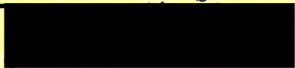

Dear Sir

I wrote to you on 6th July 21 to question the proposal to add another storey to No. 24 Quickswood. ~~to~~ Planning Application 2021/07563

I now find that another planning application has been made to build out on to the 1st floor patio of No 24, which will add even more to the loss of light to my ground floor sitting room living accommodation.

I would be grateful if this could be taken into consideration when this additional planning application is considered.

Yours sincerely
