Dear Madam/Sir,

Regularisation Planning Application for Extant Development at LUMI, 82 Camden High Street, London NW1 0LT (Planning Portal Reference PP-10129655)

I write following my previous letter dated 16 August to alter this application to include for a change of use, following further discussion with Sophie Bowden, the Enforcement Officer allocated to this site.

The previous use, approval reference 2018/0107/P, was a mixed A1 (retail), A3 (cafe) and A4 (bar) Sui Generis use. The permission conditioned that removal of the A1 use would require planning permission.

The Applicant is seeking formal change of use to Class E(b) 'food and drink which is mostly consumed on the premises' (formerly Class A3). There is no proposal to increase floor area, and hours of operation remain per the original approval.

Please confirm the additional application fee required.

Thanks in advance,

Seb
