Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

27 Maresfield Gardens
London
NW3 5SD

Proposal:

Erection of single storey lower ground floor rear extension with external roof terrace, excavation of garden area, alterations to lower ground and upper ground floor windows, new entrance to lower ground floor flat and associated works

Drawing Nos: 06.978.01, 06.978.11, 06.978.02, 06.978.03, 06.978.04, 06.978.05 Rev A, 06.978.06, 06.978.07 Rev A, 06.978.09, 06.978.08 Rev A, 06.978.10, 06.978.12 Rev A, 06.978.13 Rev A, Arboricultural Impact Assessment Report, Suds Assessment, Basement Impact Assessment, Basement Impact Assessment Audit Report.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: 06.978.01, 06.978.11, 06.978.02, 06.978.03, 06.978.04, 06.978.05 Rev A, 06.978.06, 06.978.07 Rev A, 06.978.09, 06.978.08 Rev A, 06.978.10, 06.978.12 Rev A, 06.978.13 Rev A, Arboricultural Impact Assessment Report, Suds Assessment, Basement Impact Assessment, Basement Impact Assessment Audit Report.

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 4 Prior to the commencement of works on site, tree protection measures shall be installed and working practices adopted in accordance with the arboricultural report by Landmark Trees ref: 27MFD/29MFD/AIA/01a dated 21st December 2020. All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage in accordance with BS5837:2012 and with the approved protection details. The works shall be undertaken under the supervision of the project arboriculturalist as detailed in the approved report.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenity of the area in accordance with the requirements of policies A2 and A3 of the Camden Local Plan.

- 5 Prior to commencement of development , full details in respect of the living roof in the area indicated on the approved roof plan shall be submitted to and approved by the local planning authority. The details shall include
- i. a detailed scheme of maintenance
 - ii. sections at a scale of 1:20 with manufacturers details demonstrating the construction and materials used and showing a variation of substrate, details of the attenuation and irrigation system.
 - iii. full details of planting species and density

The living roofs shall be fully provided in accordance with the approved details prior to first occupation and thereafter retained and maintained in accordance with the approved scheme.

Reason: In order to ensure the development undertakes reasonable measures to take account of biodiversity and the water environment in accordance with policies G1, CC1, CC2, CC3, D1, D2 and A3 of the London Borough of Camden Local Plan 2017.

- 6 All hard and soft landscaping works shall be carried out in accordance with the approved landscape details by not later than the end of the planting season following completion of the development. Any trees or areas of planting (including trees existing at the outset of the development other than those indicated to be removed) which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the local planning authority gives written consent to any variation.

Reason: To ensure that the landscaping is carried out within a reasonable period and to maintain a high quality of visual amenity in the scheme in accordance with the requirements of policies A2, A3, A5 D1 and D2 of the London Borough of Camden Local Plan 2017.

- 7 The developer must provide an intrusive pre-demolition and refurbishment asbestos survey in accordance with HSG264 supported by an appropriate mitigation scheme to control risks to occupiers. The scheme must be written by a suitably qualified person and submitted to the Local Planning Authority (LPA) for approval before commencement. The scheme as submitted shall demonstrably identify potential sources of asbestos contamination and detail removal or mitigation appropriate for the proposed end use. Detailed working methods are not required but the scheme of mitigation shall be independently verified to the satisfaction of the LPA prior to occupation.

Reason: To protect occupiers of the development from the possible contamination arising in connection with the buildings on the site in accordance with policies A1 (Managing impact of development), C1 (Health) and CC5 (Waste) of the London Borough of Camden Local Plan 2017

- 8 Prior to commencement of the works, the following components (where applicable) to address the risk from potential soil contamination in gardens and soft landscaped areas shall be submitted to and approved by the Local Planning Authority (LPA).

- a) Soil sampling and testing of gardens and soft landscaped areas to provide information for a detailed assessment of the risk to all receptors that may be affected (LCRM).
- b) Based on the soil assessment referred to in (a) and, if remediation measures are identified necessary, a remediation strategy giving full details of the remediation measures required and how they are to be undertaken;
- c) A verification report demonstrating the works set out in the remediation strategy have been undertaken.

Reason: To ensure the risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, in accordance with policies G1, D1, A1, and DM1 of the London Borough of Camden Local Plan 2017.

- 9 The 1.8 metre high terrace privacy screens, details of which shall have been submitted to and approved in writing by the local planning authority, shall be erected on prior to commencement of use of the roof terrace and shall be permanently retained.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policies A1 and D1 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 2 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 3 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
