8. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

There are a great deal of old walls of different thicknesses and construction which would all need to be underpinned because the levels are to be dropped down in the basement by approximately 700mm. They also take a great deal of the space . If the existing extensions are demolished the new construction can be more logical, both structurally and environmentally as well as spatially efficient.
