2020/5913/P	Aline Vongphouthone	19/08/2021 14:07:46	OBJ	I have concerns regarding the traffic on Holmes road where I live. Especially before covid, the road can be very busy and especially you can see a lot of cars lining up at the intersection of Kentish Town road. It does not seem like Holmes road can take more traffic. Moreover, it doesn't sound safe to have more regular high frequency traffic on a road with 2 schools. There are a lot of children walking here before and after school or on their way to the McDonalds.
