2021/1927/P	MR G Gallagher Jr	19/08/2021 16:57:10	OBJNOT	<p>My lounge and bedroom overlook the garden cinema club.</p> <p>When it was offices they used to regularly have drinks outside on Friday night and this was shockingly loud and disturbing. I cannot begin to think what this further development of a cinema, club and other activities will have on the effect of the residents of a small residential street.</p> <p>The street has At least seven residential blocks. These are occupied by I think some small families with children to the very elderly and disabled.</p> <p>I'm currently just looking out of my window and the cinema is about 50 feet away from my front room.</p> <p>We have experience or fun outgoing historic antisocial behaviour from the club at the end of the street already. This will only add to residents being terrified on their doorsteps.</p> <p>I'd like to add myself and my partner are both key workers and do shift work in hospitals and having this on our Step is outrageous.</p>
