**Subject: Planning applications 2021/3069/P**

Dear Josh

I am writing to support the planning permission for the roof terrace of Nos. 7 & 8 Oak Hill Park Mews.

Since the pandemic over the last 18 months, we've all realised the importance of having outside space where one can relax and exercise. Therefore, I totally support and approve of the above planning application.

Have a good day!

Kind regards,

Varshika Manji
