2021/3002/P	Helen Stewart	23/08/2021 11:42:45	INT	<p>I am the managing agent for flats nos. 7 &amp; 8 Maryon Mews on behalf of the owners Matan Elian, Omri Elian &amp; Yahel Elian. They have asked me to object to this application on the following grounds:</p> <p>The roof extension to nos. 22 &amp; 23 will severely impact on light to 7 &amp; 8. My clients' flats have large windows at the front that provide the majority of light to the kitchen/living rooms and the addition of roof extensions to 22 &amp; 23 will block light from midday to my clients' flats.</p> <p>The roof extensions will compromise the right to privacy in my clients' flats as there will be a sightline into both properties.</p> <p>The building of additional floors on top of the existing would be out of scale and not in proportion to the existing mews houses including 7 &amp; 8.</p>
