2020/5913/P	David Abecassis	24/08/2021 17:26:54	OBJ	<p>I submitted an objection previously, including through my MP's office (Keira Starmer). The revised application fails to appropriately address the concerns submitted.</p> <p>The site remains unsuitable, the traffic routes are already overloaded and congested and go right past two schools. There are available spaces for a depot in the Regis Road industrial estate, which gives easy main road access to places north, south and east.</p>
