

9.2 CONSTRAINTS PLAN

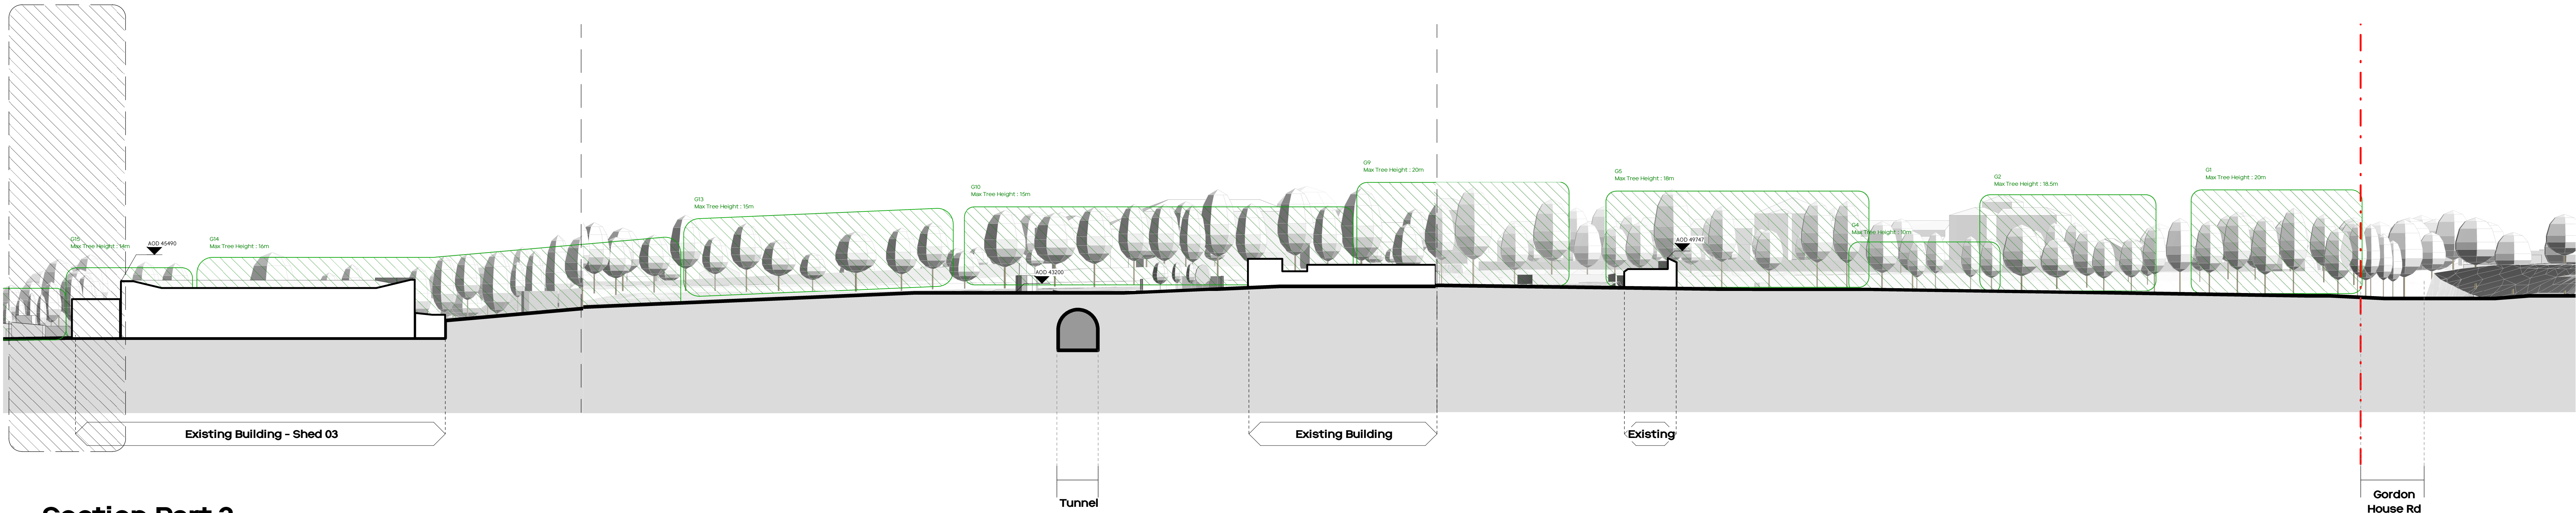

Existing Section through Site - NE

1:1000

Section Part 1

1:500

Section Part 2

1:500

General Notes

No implied fence walls. This drawing should not be used to calculate areas for the purposes of valuation. Do not scale this drawing for construction purposes. All dimensions to be checked on site by the contractor and such dimensions to be their responsibility. All work must comply with relevant British Standards and Building Regulations requirements. Drawing errors and omissions to be reported to the architect.

Notes

- Outline Application Line Boundary
- Section Fold Line
- Hatched Area denotes overlap area of sections
- Extent of Tree Zone Refer to Arboricultural Impact Assessment Report
- Grey Trees All trees outside the site boundary are illustrative only and taken from 2-Map 3D model information. For the average model, 2-Map identify an accuracy of around 20-30cm.
- Grey Buildings Only buildings outside the site boundary are illustrative only and taken from 2-Map 3D model information. For the average model, 2-Map identify an accuracy of around 20-30cm.
- White Buildings Where buildings inside the site boundary are drawn according to the topographic survey.
