

Hi

I'd like to express my support for the children's home you are helping to set up on 24 Lady Margaret Rd.

Today I received a highly offensive letter from one of the neighbours complaining about this, so I thought I'd send an email to express my support. Given the lack of funding and support for disadvantaged children in the country, giving them a safe place to live in a nice area is something to be applauded.

If you need any further support please let me know.
