

DETAILS OF REINSTATED BOUNDARY WALL

Reinstate the boundary wall on the highway boundary to match the existing wall prior to unauthorised works taking place. A photograph of the previous wall is set out below.

The details will include part replacement Brick – Swanage Imperial Tyneham, Restoration Red. Code E4305A. Size 228x109x68mm and part reused clinker that include and match the panel and pier with its coping stone.
