47D NETHERHALL GARDENS NW3

In their application the developer intends to remove **Disabled Bay** to make way for his skip as he states Bay is no longer needed. He's wrong - it is not a dedicated or allocated bay. It is the only DISABLED BAY at this end of our very long & steep road. We live at 38NG which is directly opposite this bay. My husband is a Blue Badge User & I am his Sole Carer. I'm shocked that the Council feels a skip should take priority over Disabled Residents & Disabled Visitors as this bay is used frequently.

We have had so many suspensions recently due to your works with GNetwork it seems very unfair to **penalise the Disabled yet again.**

Thanks for your time. Gillian Brown, flat 2, 38 Netherhall Gds, NW3 5TP [REDACTED]
