2021/3553/P	Michael & Kitty Brod	31/08/2021 09:39:48	SUPPRT	<p>We are the owners/occupiers of Flat 3 in this 4-flat building. From the rear of our first floor flat, we look out over Flat 2's garden, which is the location of the proposed garden studio for Flat 2.</p> <p>This proposal is acceptable and appropriate both for the physical layout, greenery, and privacy of all the gardens in its vicinity, has no effect on trees, and does not affect our outlook.</p> <p>We strongly support this proposal.</p> <p>Michael &amp; Kitty Brod - Flat 3</p>
