To whom it may concern,

I write in respect of the planning application for **24 Lady Margaret Road** and have several concerns;

- 1. There will be significant disruption in the area as such homes will attract trouble such as, drug use, noise, police calls, petty crimes and general disruption in the neighbourhood.**
- 2. The building does not have the right facility to contain children with such needs.**
- 3. Children leave their homes for different reasons and I feel tha these children need to be in an area where there is more outdoor space.**
- 4. I have lived in this area for over 30 years and enjoyed the peaceful community.**
- 5. There are easy access to public transport in this area and any child will be difficult to locate when they go missing.**
- 6. I am worried as I feel that the needs of these children are not being taken into consideration.**

I would be grateful if you can take my objections to the plan seriously.

I wait to hear from you.
