**Subject:** External Air- Con units at 15-17 South End Road - 2021/2320/P. OBJECTION TO APPLICATION

**[EXTERNAL EMAIL]** Beware – This email originated outside Camden Council and may be malicious Please take extra care with any links, attachments, requests to take action or for you to verify your password etc. Please note there have been reports of emails purporting to be about Covid 19 being used as cover for scams so extra vigilance is required.

Dear Sir/Madam

Re: External Air- Con units at 15-17 South End Road - 2021/2320/P

I am writing to object to the above application for the installation of External AirCon units at 15-17 South End Road. This building backs on to Maryon Mews where I live, and will be an absolute infringement of our right to enjoy peace and quiet. The noise and pollution that will emanate from the Air Con units will project directly into our homes in the Mews. I believe that the noise levels will exceed that allowed by Local Plan Policy A4, and is also in contravention of Camden's own policy which says permission for noise generating equipment will only be granted if it can be operated without causing harm to other dwellings.

We successfully objected to the application made by number 21 South End Road for the installation of their external air conditioning units for precisely the same reason, that it would impinge on our right to enjoy peace and pollution free life in Maryon Mews. I request that the application by 15-17 South End Road be similarly rejected.

Thank you.

Yours faithfully

Doreen Pallier
