re: Planning application no: 2021/1927/P

Dear Sir,

I strongly object to the above application for many reasons. Having spoken to many people in our block of flats all appear to object to this application as well.

[REDACTED] has become incredibly noisy of late and any further noise from the premises in Parker Street | [REDACTED] will be totally unacceptable to all the residents in our local blocks of flats. An alcohol license would be absolutely fatal to say the least!!

Yours faithfully

Dennis Goldberg
