2021/3478/P	Roma Fernandez	06/09/2021 14:54:08	COMMNT	I have concerns that the large new dormer opening and it's cheeks could impact adversely on light levels in the recessed rooms in my home next door and to a reduction in my privacy. The 2 new conservation roof lights to the front upper roof slope seem out of keeping with the other houses in the terrace.
