2021/3607/P	Alex Helfrecht	07/09/2021 10:53:50	SUPPRT	<p>I am writing to express my support for The Well Walk Theatre proposal and the extension to this historic premises.</p> <p>The owners of the theatre have expressed their commitment to the community and already the ever-changing front windows have drawn all sorts of positive attention from children and families from all walks of life. It is a lovely and uplifting thing to walk past and there is a great deal of buzz and anticipation surrounding its opening and theatrical programming.</p> <p>The location for a puppet theatre is ideal. The bookshop and cafe will provide additional opportunities for children to read European and world books they might not necessarily be able to source in regular London libraries and bookshops. There is nothing comparable in Hampstead. It is well placed to serve the local schools and the owners have made a commitment to inclusivity in the community. The single-storey extension will undoubtedly give accessibility benefits.</p> <p>I do hope you will allow these plans to go ahead and I very much look forward to supporting this multi-cultural venue when it opens.</p> <p>Kind regards,</p> <p>Alex Helfrecht</p>
2021/3607/P	Karen W	07/09/2021 21:22:20	SUPPRT	<p>This project is a long-awaited community gathering space! I love this wonderful concept of a family-friendly theatre/bookstore/cafe with a focus on the arts. I believe that it will inspire creativity and community engagement for both kids and adults. This is something that my family and friends are very much looking forward to, especially after a tough year (and months) of COVID restrictions.</p>
2021/3607/P	Collette Cooper	07/09/2021 17:12:35	SUPPRT	<p>Hampstead has always been an area full of artists, actors, musicians. A beautiful, creative atmosphere. This is exactly what Hampstead needs! Just a wonderful idea. Breathing some very much needed life into the area post pandemic and to which there is no better way than live theatre and specifically for children. Myself and many other Hampstead residents I know are all very excited about the new Well's Children's Theatre alongside a new book shop and cafe. Really excited!</p>
