Dear Sir/Madam

### **DECISION**

Town and Country Planning Act 1990 (as amended)

#### **Full Planning Permission Granted**

Address:  
**208 West End Lane**  
**London**  
**NW6 1UY**

Proposal:  
Removal of 3 external ATMs and night safe; replacement of existing glazing by new glazing with frosted vinyl.  
Drawing Nos: Site location plan; BY106804\_221, 231.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017 and Policy 2 of the Fortune Green and West Hampstead Neighbourhood Plan 2015.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans- Site location plan; BY106804\_221, 231.

Reason: for the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

Planning permission is sought for removal of one ATM on the West End Lane elevation and two ATMs and a night safe on the Fawley Road elevation as part of the closure of the Barclays Bank branch. Frosted vinyl panels would be installed following removal of the ATMs. These would follow the pattern of the shopfront and integrate with the host property. The night safe opening would be infilled with brick to match. These discreet alterations would be in keeping with the design of the shopfront and the character and appearance of the streetscene and West End Green Conservation Area.

The proposal would not result in any harm to neighbouring occupiers through loss of sunlight, daylight, outlook or privacy.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

No objections were received prior to the determination of this application. The planning history of the site has been taken into account when coming to this decision.

In conclusion, the proposed development is in general accordance with policies D1, D2 and A1 of the Camden Local Plan 2017 and Policy 2 of the Fortune Green and West Hampstead Neighbourhood Plan 2015. The proposed development also accords with the London Plan 2021 and National Planning Policy Framework 2021.

- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant

licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.
