2020/5913/P	Paul Monk	08/09/2021 09:38:51	OBJ	<p>As Parents having our children learning at CFBL school, we would like to express our concern about the planning application 2020/5913/P and object to it.</p> <p>The proposed warehouse and distribution centre at this site in Spring Place would create a significant risk to the safety of our children who go to the nearby school, CFBL in the immediate vicinity. We do not think that this risk can be sufficiently mitigated by the applicant.</p> <p>The proposed change of use for this site is therefore not acceptable. Other sites in more industrial areas ought to be more appropriate than a site in close proximity to schools.</p>

2020/5913/P	Olivia Gillan	08/09/2021 10:10:20	OBJ	<p>I object to this planning application. My son attends the CFBL school next to this site and I am extremely concerned that this redevelopment will affect his safety and that of other pupils.</p>
2020/5913/P	laurent	08/09/2021 09:20:44	COMMNT	<p>the traffic is pretty intense already in that area, where the streets are pretty narrow . Also this depot is not taking in consideration the school close from it , where Kids from early age to 15 years old attempt. Camden Council has already a depot facing that school , where trucks come and go. It may be be more than enough for the Community around.</p> <p>cheers for reading</p>
