Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990

### **Advertisement Consent Granted**

Address:

**Tudor House**  
**35 Gresse Street**  
**London**  
**W1T 1QY**

Proposal:

Display of two non-illuminated entrance signs  
Drawing Nos: 01-B; 02-B; 03-B; 04-B

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
  - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
  - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

#### Informative(s):

- 1 Reason for granting consent:

The proposed entrance signs above and beside the office entrance door are very small and modest. They would be acceptable in terms of size, siting, materials and appearance. They would not harm the architectural features of the building and would therefore preserve and enhance the character and appearance of the host building and Conservation Area.

The signs would not be harmful to either pedestrian or vehicular safety in accordance with guidance given the size and lack of illumination.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received.

As such, the proposal is in general accordance with policy D4 of the Camden Local Plan 2017, the London Plan 2021 and the National Planning Policy Framework 2021.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
