Dear Camden Planning,

The above application is for 2 air conditioning units to be installed on the roof at 15-17 South End Road.

The units would be extremely close to residential properties in Maryon Mews. They would generate a lot of noise and pollution, disturbing neighbours 24 hours a day.

We object to this application on the above grounds and due to the extremely negative effect it would have on Maryon Mews residents and the environment.

Kind regards

Ms E F Rigby - 15 Maryon Mews, NW3 2PU
&
Mr W. Bramer - 11 Maryon Mews, NW3 2PU
