2021/3607/P	Millicent Hodson	11/09/2021 10:32:34	SUPPRT	The plans for the children's theatre, bookshop and cafe have thrilled everyone whom I've spoken to around Hampstead, even strangers I meet who are enthralled by the animated windows that tell the story of what's to come. It will be educational, cultural and a source of delight for all ages but especially for the children who live or visit here. The vision of Dylan McNeil and Zina Douche McNeil is a joyful blend of music, mime and movies, history, literature and fantasy. As fellow artists and residents for decades in Hampstead, we are grateful for their presence here and look forward to its manifestation in the Well Walk Theatre.

2021/3607/P	Myriam Guibert	11/09/2021 18:01:46	SUPPRT	We sincerely hope that this lovely project comes to life quickly. It has already been delayed by Covid too long. The theater will be a great addition to Hampstead which has historically been home to poets and artists. It belongs to Hampstead. The place has already had a positive impact. Everyone is stopping to read the stories on the windows and children can not wait for the theater to open. We are so happy about this initiative, it is so nice when a place which is neither an estate agent nor a franchise opens.
2021/3607/P	Dr Kenneth Atcher	11/09/2021 11:12:04	SUPPRT	The Well Walk Theatre is a brilliant idea and a worthy successor to the Pottery. I have lived in Hampstead for six decades - most of my adult life. That triangle at the meeting of New End, Gayton and Willow is very special to me. I was part of the Chess Club at Burgh House for years and worked for a while as caretaker as well as a being a participant in countless community and cultural events at the House. The Well Walk Theatre will complement the activities of Burgh House and bring ever more interested people to the shops and pubs of Well Walk and Flask. What could be more wonderful than to give the children of Hampstead a place designed with them in mind, even though everyone, including Golden Oldies, will benefit from it too.
2021/3607/P	Dorothee Privat	10/09/2021 11:33:33	SUPPRT	As a parent and a member of the Camden community for years, I am fully in favour of this application. This cultural center at the heart of Hampstead village will meet a real need in terms of cultural activities for all our little ones, will smartly improve this beautiful but badly damaged building, and will fit in nicely with the artistic spirit of the neighbourhood. Real estate prices have unfortunately favoured corporate shops to the detriment of unique independent businesses. The current pandemic has also reinforced the need for cultural community projects. It is wonderful that our beloved Pottery is turned into this meaningful project not only for our community but for the generations to come.

2021/3607/P	Hannah Scott	11/09/2021 13:24:34	SUPPRT	<p>Hi there,</p> <p>I just wanted to write my support for this planning application. I'm a local resident in Hampstead and have been eagerly anticipating the opening of the Well Walk Theatre since the pandemic! It will be a gorgeous establishment for the community and for children in the area, and it would be fantastic for local residents near the park to have a cafe and local spot right near their home. There aren't enough of these places available in local communities, so supporting these independent businesses that are here for the local people is really important. I know many others are really keen for the theatre to open so it's highly anticipated!</p> <p>If there's anything else you need in terms of support for this application then please let me know.</p> <p>All the best,</p> <p>Hannah</p>
