We regularly walk past this way and had not seen this application before this date.</p> <p>We spoke to the architect after the weekend 28th August (when he called us back after a few days later) who was dealing with the application and was told that they would get back in touch with us with regards to the application (by the 6th September). We thought that this would be best to keep good terms with our neighbour. They never got back to us and due to the Jewish new year time has elapsed.</p> <p>We wish to appeal the substantially increased opening of the windows due to loss of privacy and overlooking our front garden.</p> <p>I would like to invite you down to discuss this issue.</p> <p>We have no other concerns regarding the application</p> <p>Kind Regards</p> <p>Sissel Godfrey</p>
