Dear Patrick Marfleet,

Re: Cleveland Court, Ref: 2021/3245/P

I object to the planning application for the additional penthouse apartments /accommodation Cleveland Court, Cleveland Street, W1.

The impact of a roof extension for two pent house flats with extra height within metres of the west side of Fitzroy Square, Fitzroy Mews and Grafton Way will have a catastrophe effect of loss of light on the life of the residents . Any change to allow a greater build of Cleveland Court over towering these adjacent buildings would destroy and obstruct the environmental existence of this typical 1930's residence.

Our quality of life as residents in Cleveland Court as we have know it, will diminish if this action is granted. We have suffered enough over the last 5 years with the constant building work of the re-development of Cleveland Street.

I totally resist and object to this planning application.

Please keep me informed of any decisions and developments.

Yours sincerely

C. Stephens
