Dear Planning,

As a resident in Camden, I'd like to share enthusiastic support for the application **2021/3607/P** for The Well Walk Theatre. It is such an exciting and dynamic project and an outstanding addition to the Hampstead neighborhood (any place that really supports community gathering and supporting the arts always is). I'm personally looking forward to spending time there browsing the curated book selection as well as enjoying a cup of tea and baked goods. Dylan and Zina are sensitive neighbors who will be mindful of the impact it has on everyone around the theatre, and will ensure that the impact is positive. [REDACTED]
[REDACTED], I am looking forward to going to shows with her and the creations she will make in the workshops. To put it simply, being able to be a part of a community with a theatre like this will be a delight.

Yours,
Joanne Sheppard
