2021/3607/P	Julia Sarano	14/09/2021 21:07:16	SUPPRT	I would like to express my enthusiasm and support to the project of the Well Walk Theatre. It would be a delight to have a theatre in the neighbourhood which also offers a beautiful bookshop and cafe. I feel Hampstead Village needs more cultural activities and interesting places to gather outside pubs and restaurants. I am in full support of this initiative. Thank you.

2021/3607/P	Dr Kenneth Atcher	11/09/2021 11:13:03	SUPPRT	The Well Walk Theatre is a brilliant idea and a worthy successor to the Pottery. I have lived in Hampstead for six decades, most of my adult life. That triangle at the meeting of New End, Gayton and Willow is very special to me. I was part of the Chess Club at Burgh House for years and worked for a while as caretaker as well as being a participant in countless community and cultural events at the House. The Well Walk Theatre will complement the activities of Burgh House and bring ever more interested people to the shops and pubs of Well Walk and Flask. What could be more wonderful than to give the children of Hampstead a place designed with them in mind, even though everyone, including Golden Oldies, will benefit from it too.
2021/3607/P	Lisa Lee	15/09/2021 20:19:40	PETITNSUP P	This project will provide much life-promoting space and refuge for our current and future generations. Understand that therein lies the potential for authentic, lasting growth and imaginative influence into our societies. Please kindly do not overlook the times and the very specific needs of all humanity. Here lives connection and creativity in our communities and beyond. Thank you, Lisa Lee
2021/3607/P	bhakti mistry	14/09/2021 15:59:12	SUPPRT	I'm really excited for the theatre to open! It looks like something so unique and creative for the community and as a creative myself just seeing the window displays and outside already has me very excited! A theatre, bookshop and cafe shop sounds like a dream combination and I am especially excited to see it come to life during the festive seasons when things get a bit dark and gloomy something in the neighbourhood to bring a little sparkle and magic! I think this will be something so special for the local children and definitely something I wish I had growing up!

2021/3607/P	Stefania and Pietro Bezza	15/09/2021 21:21:28	SUPPRT	<p>Zina and Dylan's project is one of the best thing that can happen to Hampstead and the entire NW3 area: it's a project that gives hope and prospective, a place for kids and parents where to nurture love for theatre, music, books, culture. There's nothing like this in NW3 (well I'd say in London!).</p> <p>May the world have more of these projects!</p> <p>We look forward to seeing this dream coming true.</p> <p>Stefania and Pietro Bezza (Belsize Park residents)</p>
