2020/5913/P	Giuliano Gasparini	16/09/2021 13:21:08	OBJ	<p>The proposed warehouse and distribution centre at this site in Spring Place would create a significant risk to the safety of our children who go to the nearby school, CFBL in the immediate vicinity. We do not think that this risk can be sufficiently mitigated by the applicant.</p> <p>The proposed change of use for this site is therefore not acceptable. Other sites in more industrial areas ought to be more appropriate than a site in close proximity to schools.</p>
