The majority of Council staff are now working at home through remote, secure access to our systems.

Where possible please now communicate with us by telephone or email. We have limited staff in our offices to deal with post, but as most staff are homeworking due to the current situation with COVID-19, electronic communications will mean we can respond quickly.

Dear Obote,

The Fitzroy Square CAAC supports the application to reinstate railings at Flat 1 84 Cleveland Street with the proviso that a condition is attached to the decision notice to ensure that the railings and plinth match the existing in profile and material to preserve the character and appearance of the conservation area.

Please email to confirm that you can do this.
