Dear Sir

We are the owners of a number of flats and the freehold of No. 9 Maresfield Gardens NW3 5SJ.

We strongly object to this planning application which we have just been made aware of. No notices were sent to us regarding this application.

There will be a large amount of overlooking from the proposed first floor extension of this re constructed house as this will give the occupiers of the proposed development direct views into the rear garden of No. 9 and also the directly into the [REDACTED] from their roof terrace and first floor

at the rear , being Flats 9 A, 9 B, 9 C, 9 D , 9 E, and 9 F..

The will be a loss of privacy and for all the owners and residents of these flats.

We will also **not** consider any rights to allow access onto our land for any reason whatsoever. The fence between the two properties will not be removed, and no rights will be granted to the owner of The Rotunda.

Yours faithfully

Doron Barsam (9A)
Jeremy Curtis (9B)
Esther Mandell (9F)
Georgina Harris (9D)
