2021/3299/P	neil edington	21/09/2021 10:23:34	INT	<p>Regal Lane is the private property of Regal Lane Ltd whose shareholders are the owners of the 11 houses that make up Regal Lane. The space to the rear of flat 1A Regents Park Rd is reserved parking for 2 cars, currently let to houses 8 & 10, which, not having garages, cannot park outside their own property as the end of the lane is too narrow. So I object to the widening of the existing gateway for 1A as it would impinge on existing private parking spaces of a private property. It would similarly follow that any works must not use parking of vehicles in the lane as constant free access is needed, particularly for elderly and vulnerable people in the lane.</p>
