Subject: Formal objection to revisions on 2021/3603/P

Formal objection to extensions and associated works.
2021/3603/P
14-16 Leeke Street and 1-6 Field Street, WC1X 9HJ

Dear Kristina,

We would like to comment on the revised drawings.

We welcome the removal of the second-floor balcony from the application, however, the revision does not adequately address all our concerns. The proposed third-floor balcony will lead to a loss of amenity to the four grade II listed buildings 173-179 King's Cross Road, including a loss of privacy and amenity of the buildings to the existing residents.

The revision does also not remove any part of the proposed extensions, and we will not withdraw our objection until our concerns have been adequately addressed by the applicant.

Best wishes,

Sam Reed,
On behalf of the King's Cross CAAC.
